The purpose of this sign-off document is to formalize and acknowledge the completion and acceptance of the **Supply, Installation & Configuration of Yealink Meeting room Solution** project for “**BAYUT WEB PUBLISHING FZ LLC**”. This document serves as an official record of the project's successful execution and handover, marking the conclusion of our efforts.

To ensure both sides have a clear understanding of the tasks, the following activities were undertaken:

	Supply, Installation & Configuration of Yealink Meeting room Solution
1	Mount and secure the Yealink A10 Collaboration Bar at the designated location.
2	Install and configure the Yealink WPP30 Wireless Sharing & BYOD Pod
3	Pull one (1) Cat6 data cable from the network point/switch to the meeting room device location.
4	Terminate and **crimp** the data cable with appropriate connectors.
5	Label both ends of the data cable as per customer standards.
6	Connect all required power, network, and peripheral cables
7	Configure the meeting room system and network connectivity
8	Pair and test wireless content sharing functionality.
9	Perform end-to-end testing and commissioning of the solution
10	Provide basic user orientation and handover.
11	Sign off

This sign-off document aims to ensure clarity, accountability, and transparency in the project or task completion process and to avoid any misunderstandings or disputes regarding the outcome.
